

Five Ways To Use Google Meet For Your Church

1. **Virtual Worship Services:** Google Meet can be used to conduct virtual worship services for your church. You can schedule a meeting for your congregation to join and conduct your worship services online. This is a great option for those who cannot attend in-person services due to health reasons or distance.
2. **Bible Study Sessions:** You can also use Google Meet to conduct Bible study sessions with your church members. Schedule a meeting and share the study materials with your members beforehand so that they can come prepared. Use the Google Meet platform to discuss and share your thoughts on the study material.
3. **Prayer Meetings:** With Google Meet, you can also organize virtual prayer meetings for your church. Set a time and date for the meeting and invite your congregation to join in. This can be a great way to pray together as a community and support each other during challenging times.
4. **Youth Group Meetings:** If you have a youth group in your church, you can use Google Meet to organize virtual meetings. This can be a great way for your youth group to stay connected and engaged with each other during the pandemic.

5. **Leadership Meetings:** Google Meet can also be used for leadership meetings within your church. This can be a great way for your church leaders to stay connected and discuss important matters related to the church. Set a regular meeting schedule to stay on top of church business and plan for future events.
